

Hello,

On behalf of Pacific Global, welcome to Pacific! Our team is here to assist all international students as they begin their Pacific journey.

### Who are we?

IPS supports all international students and provides opportunities to study abroad. As an international student, our team will manage your F-1 visa record.

### How can we help you?

We can provide guidance on all questions related to your student visa and navigating Pacific as a new student. We can also help with the following.

#### Guidance on Obtaining the Student Visa

- ◁ If you have not yet received your Form I-20, please let us know. This is the document required to apply for the F-1 visa.
- ◁ If you have received your I-20, please review our [Next Steps page](#) for new international students.

#### Move-in Assistance on Wednesday, January 8, 2025.

- ◁ Please visit [Residential Life and Housing website](#) for more information on housing assignments.

#### Participating in New Student Orientation on Friday, January 10, 2025

- ◁ New Student Orientation will be a mandatory, one-day experience for graduate students whose program is based in Stockton. Orientation is one of the many facets of Pacific Welcome Week spanning Move-in Day through Week of Welcome (WOW) activities.

We look forward to meeting you!
