

Request for Additional Funding to Cover First Time Dental Licensure

New Federal regulations permit a one-time inclusion of the cost for a first professional credential in the Cost of Attendance for a student in a program requiring professional licensure or certification. The cost of the licensure must be incurred while the student is enrolled at the Dental School.

Please submit this form electronically to sf_finaid@pacific.edu. A new loan will be processed. Depending on the process date of your application, your reimbursement will be included with your regularly scheduled living expense refund or there will be an additional refund
