Note: Suggested order of precedence for counting non-need money as need-based:

- |                                  |                            |

| 5. Non-need state grants         |                            |

Non-need-based self-help aid: Loans and jobs from institutional, state, or other sources for which a student need not demonstrate financial need to qualify.

Private student loans: A nonfederal loan made by a lender such as a bank, credit union or private lender used to pay for up to the annual cost of education, less any financial aid received.
